Christmas Tree Wonderland has been installing holiday decorations in the Dallas / Fort Worth area for more than 25 years. We offer our clients unique holiday decorating services customized specifically to their home or business.

From the first meeting with the client, to the installation and maintenance of the decorations, and finally the take-down and storage, our service teams treat our customers and their property with the respect they deserve.

Our goal is to make the holiday season safe and enjoyable for you and your guests.

## *Amazing results, no stress*

Let Christmas Tree Wonderland be your guide to turning your home into a holiday wonderland. The fun begins when we take your ideas, combine them with our experience, and install the safest and most current lighting design concepts and decorations. The final result is a display that will bring joy, entertainment and wonderful memories to your family, friends and neighbors!

### *Roof*

Enjoy the holiday without dealing with the weather or climbing a ladder. Our design teams start at the top, building a framework that highlights your roof line and draws the viewer's eyes to the wonderful display below.

### *Trees and Shrubs*

Carefully-placed lights and colors accent your trees and shrubs, adding visual depth from the sidewalk to your front door.

### *Windows*

Decorated windows add flair and sparkle to the display, drawing attention to the beautiful presentation. Your guests can enjoy the show from inside or outside your home.

### *Ground*

Ground decorations add another dimension to your holiday presentation. Outlining walkways, flower beds and driveways creates a visual and pleasing path of light, gracefully introducing your presentation to friends and neighbors.

### *Daytime*

Greet your friends and neighbors on the closing act of your holiday presentation – a warm and welcoming doorway to your home. Daytime greenery and evening lighting in one place put the final touches on a beautiful display, complete with wreaths and greenery on columns and bannisters.

*Complete home and business decorating services, from the top of the roof to the edge of the walkway*
